HELPING FAMILIES — ENDING CHILD ABUSE

Child and Family Charities' Child Abuse Prevention Services (CAPS) has been providing parents with support and programs that have helped local families with critical needs!

During the Covid-19 health crisis, the CAPS program has already reached over 50 families with basic needs: Food, clothing, school supplies and other resources!

CAPS plans to help over 150 local families this year. Your purchase will make a difference in the lives of children.

For more information about CAPS, please visit

THANK YOU FOR YOUR SUPPORT! 100% of the net proceeds go to Child Abuse Prevention Services (CAPS)--during the recent Covid-19 pandemic CAPS has been helping families to cope by providing basic needs such as food, laundry detergent, cleaning supplies, clothing and resources for children learning at home.

This purchase is not tax deductible as a charitable contribution, although in some cases a business expense deduction may be available. However, amounts in excess of purchase price increases the net amount that supports Child Abuse Prevention Services.
