News from the Infant and Toddler Room

HELLO!

This month will be exciting... FUN and FUN and more FUN! We will jump up and down and run around using our large motor skills. Also, we will practice our small motor skills by cutting some paper and doing some puzzles. I hope it will not be too hot this month. I am hoping to have some sand in the sand table for fun times. Thank you again for allowing me to be a part of your child's life.

Angela Bunker,
Infant/Toddler Teacher

News from the Preschool Room

Wow! Time sure has flown by this summer. We have been having fun in the classroom. The children have been constructing creations with many different types of materials. This month we are going to focus on our five senses. Bring in pictures, or something to taste, listen to, touch or smell!
See you soon!

Beth Mannausa,
Preschool Teacher
