News from the Infant and Toddler Room

Fall is coming soon! Hurray the seasons are changing. I had a great summer! How about you? This month in our classroom we will practice our hopping and jumping. We will also work on some creative art with different textures, maybe even glitter! Keep your eyes peeled. I hope you enjoy this month, as I know we will in our classroom!

News from the Preschool Room

Wow! Summer sure has flown by quickly! I had a great time working with all the children over the last couple months at the Family Growth Center. I am going to be working back in the GSRP room for the school year. Have a good year!

Ms. Beth, Preschool Teacher

Welcome Back! We are all excited to start the new school year. I am so happy to see you all again. This school year we will be focusing on a different letter, number, shape, and color each week. Of course we will be working on each shape, color, letter and lots of numbers each day, but we highlight one for the week. We will stay active, learning, and having fun. As always we encourage polite interactions, explorations, and fun! If you have any questions or concerns, always feel free to ask us.

Ms. Sun, Morning Preschool Teacher

I am happy to be the new afternoon preschool teacher. I believe family is the most important part of a child's life and I am glad to be a part of Family Growth Center that supports your family in a special way.

Ms. Maria, Afternoon Preschool Teacher
