News from the Infant and Toddler Room

We will do art with LEAVES, stickers, glitter, and texture art. In addition we will use our large motor skills and go through tunnels and walk on a (very low) balance beam. Plus jump in and out of circles on the floor. We may even practice our marching!!! We will continue to sing our songs and read books. I hope this month brings us some snow. Bring on WINTER!!!

News from the Preschool Room

Hello Preschool Families!! This month we are going to focus on identifying our emotions and others around us. During free play we will be interacting in all areas of the classroom learning how to respond to our emotions and others in a healthy manner. The children will begin to understand and be aware of themselves and others. The children will also be learning through social games, guidance with words and books. See you at the Family Growth Center.
