News from the Infant and Toddler Room

HI THERE.. This is the month of vacations!! Swimming, camping, and family fun are all on my list of fun things to do this month. In the classroom this month we will play in water, bird seed and rocks (no, not all at the same time). We will explore different textures and use our dump and pour skills. Hand eye coordination and small motor skills will also be in full use. As always, we will have a super SUPER fun time. Please remember to put sunscreen on your children when you are going out in the sun and mosquito repellent for when you are going to be out in the evenings. Look forward to seeing all of you soon.

News from the Preschool Room

Happy July! We have been having lots of fun this summer. We have been working on our small motor skills cutting and using play dough. This month we will be exploring our five senses. There will be different ways to test our sense of smell, hearing, touch, taste and sight. See you at the Family Growth Center!

Preschool Teacher
