## News from the Infant and Toddler Room

WHAT A MONTH!!! I am not even sure I blinked and it was over. I am so excited it is FALL. I love FALL. I hope to bring leaves and FALL flowers into the classroom this month. We will use our small motor skills, and hand eye coordination to dump and pour these things into other things. We will sing, play, slide, dance and jump... all leading to a SUPER fun time here in the Infant Toddler class as usual.

Angela Bunker, Infant / Toddler Teacher

## News from the Preschool Room

October brings much to our senses. The changing leaves of vibrant colors, that beautiful fall glow from the sun, and the crisp sounds under our feet to name a few. This month we will explore many of these. We will play and have fun learning about numbers, alphabet, and colors. We are getting pretty good about recognizing our written names as well.

Kathy Kelly, Preschool Teacher
