## News from the Infant and Toddler Room

HAPPY MAY!! Spring has sprung!! The flowers are starting to look very beautiful and the grass is getting greener. While in the classroom this month, we will look outside and hopefully see birds and squirrels and flowers. Inside we will sing, read, dance, fill up buckets, knock over block towers, and throw balls. Plus, we will color and use stickers. Hopefully we will work on some LETTER art. It will be SO MUCH FUN!!!

- Angela Bunker, Infant / Toddler Teacher

## News from the Preschool Room

Hello Everybody! It is great to be back at the Family Growth Center! This month we are going to focus on social emotional skills, with the use of games, play and stories. The children will be able to better recognize others feelings and how to respond and work through different social interactions. We will also have fun getting our bodies moving to the beat and learning new songs🎵

- Beth Corcoran, Preschool Teacher
