

Mentor

General Purpose: Provide consistent support and guidance to a single client via a one-on-one relationship. The goal of mentorship is to aid the youth in building and expanding the skills and confidence needed to become a responsible young adult.

Essential Duties:

- Plan and execute at least four hours a month of activities over a 12-month period.
- Provide appropriate support and guidance to a single client.
- Maintain appropriate boundaries with the client as dictated by a mentor-mentee relationship.
- Check-in with your designated staff contact weekly regarding the mentorship.

Requirements: Completing the mentorship packet
