

Tutor

General Purpose: Provide consistent academic support to a minimal number of clients through relationship-building and teaching. The goal of the tutor is to aid the youth in current classwork, as well as develop overall study skills to enhance future academic pursuits.

Essential Duties:

- Provide trauma-informed and empathetic homework help.
- Assist in understanding and completing current coursework.
- Build base study skills.
- Provide remedial assistance as needed.

Because of the relationships surrounding tutoring, we are asking all tutors to commit to at least a semester's worth of time. Availability determined by schedule and placement.
