

Full Time

Child and Adolescent Mental Health Therapist

A fun team environment, opportunities to grow professionally, and flexible schedule.

Responsibilities

- Provides direct therapeutic mental health therapy (individual, group, and family), education, case management, advocacy, referrals, and service coordination to children and adolescents.
- Utilizes a trauma informed, motivational enhancement and cognitive behavioral model of therapy.
- Completes and maintains all required documentation within required timeframes consistent with format developed by program.
- Maintains positive and professional relationships with individuals and organizations involved with the target population, including referral sources and other community organizations, for the purpose of communicating and collaborating.
- Maintains strict privacy and confidentiality practices in accordance with federal and state regulations, and consistent with ethical standards in the field.
- Delivers services at Child and Family Charities offices.
- Participates in individual clinical supervision, clinical team meetings, and ongoing professional training activities. Agency will provide a yearly stipend for professional training.
- Familiar with electronic medical record systems or ability to develop proficiency in a system for clinical documentation and case management purposes.

Qualifications

- Master's Degree in Social Work or Counseling
- Limited License or Full Licensure. Agency will provide supervision for licensure.
- Minimum one year of applicable experience in assessment and therapeutic interventions with children and adolescents.
- Experience providing manual based therapy and addressing trauma a plus.

Hours: 37.5 hours per week, four day work week and flexible schedule
