News from the Infant and Toddler Room

HELLO! HAPPY SUMMER! This month will be fun as usual. We will use our large motor skills when we practice our jumping and dancing. We will use our creativeness by doing summer art projects. We will also play and learn how to interact with the others in our classroom. I am so grateful for all the new faces that have joined the Family Growth Center family. We welcome you all! Please remember to call the center to check for availability of the session you want. I will be taking some vacation time this month so please watch the schedule for when my classroom will be closed.

Angela Bunker,
Infant/Toddler Teacher

News from the Preschool Room

Happy July! We have been having lots of fun this summer. We have been working on our small motor skills cutting and using play dough. This month we will be exploring our five senses. There will be different ways to test our sense of smell, hearing, touch, taste and sight. See you at the Family Growth Center!

Preschool Teacher
