Hello families! I am so excited to be joining the Family Growth Center and get to know all of you. After spending a few years in the Detroit area, I moved back to the Lansing area a little over a year ago and have spent much of that time learning about the many resources the Lansing area has to help support our community members. I am excited to continue to serve the Lansing community and hope to be able to assist each and every one of you. Please reach out to me if you have any questions or if there is anything I can help you with. My e-mail address maria@childandfamily.org.
