News from the Infant and Toddler Room

I am shocked this is August already! This summer is flying by so quickly. This month hopefully we will get to play in water, sand and perhaps bird seed also – not at the same time of course! We will use our small motor skills, and hand eye coordination to dump and pour these things into other things. We will sing, play, slide and dance and jump all leading to a SUPER fun time here in the Infant Toddler Teacher Class as usual.

News from the Preschool Room

August already?! Hope everyone is enjoying summer fun...being outside on our long Michigan days, swimming in the lakes or pools, and vacationing other places. Our tomatoes and peppers will be ready to harvest later this month. Ask your child about going to our garden and picking the vegetables. Have fun and keep hydrated!
