News from the Infant and Toddler Room

September has arrived! Hurray – Fall is almost here. I love Fall. This month hopefully we will get to play in water, sand and perhaps bird seed also – not at the same time of course! We will use our small motor skills, and hand eye coordination to dump and pour these things into other things. We will sing, play, slide and dance and jump all leading to a SUPER fun time here in the Infant Toddler Classroom, as usual.

News from the Preschool Room

Summer sure did fly by! We have had a lot of fun this summer, meeting and playing with many new friends. Some friends are heading off to school in the fall, good luck and come back and visit! This school year we will be focusing on letters, numbers, shapes, and colors each week. We will stay active as we learn how to ride bikes, play basketball, and balance and walk on the romper stompers!! Come by and visit anytime we are in session.
