News from the Infant and Toddler Room

Hello friends. YAY FOR SNOW!!! It is awesome to look outside in Winter and see snow. While in the classroom this month, we will look outside and see the snow on the trees and roofs. Inside we will sing, read, dance, fill up buckets, knock over block towers, and throw balls. Plus, we will color and use stickers. Hopefully we will work in some snowman art. It will be SO MUCH FUN!!!

- Angela Bunker, Infant / Toddler Teacher

News from the Preschool Room

January was a snowy month for sure! We welcomed graduates from the toddler room and their transition was very positive. Our circle time has much participation and the children look forward to being read their favorite stories over and over again. Because outside time at home is not frequent in winter, we have stepped up our large motor time at preschool. We are building large muscle and body coordination. Check out the calendars we have at the front desk. Join the fun!!
