News from the Infant and Toddler Room

Hello friends. YAY FOR SNOW!!! I hope we get to see the snow for at least the rest of this month. Let's not rush spring! While in the classroom this month, we will look outside and hopefully see birds and squirrels. Inside we will sing, read, dance, fill up buckets, knock over block towers, and throw balls. Plus, we will color and use stickers. Hopefully we will work on some LETTER art. It will be SO MUCH FUN!!!

- Angela Bunker, Infant / Toddler Teacher

News from the Preschool Room

Welcome to March! In just a few weeks it will be Spring!! There is light at the end of the tunnel! This month the preschool class is going to be focusing on moving our bodies to nursery rhymes. The repetition of saying the rhymes, teaches children how language works. I will be sending home the nursery rhyme of the week with each child. See if your child remembers any of the motions from class, or with your child make up new moves! Have fun!!

Kathy Kelly, Preschool Teacher
