News from the Infant and Toddler Room

IT'S JUNE!! Crazy right? I cannot believe it is June already. I am hoping to be able to have some sand or water in the classroom this month. I also hope to have some fun art projects and stickers will be involved. We will run, jump, dance and sing all month. I am so happy to be a part of your children's lives. Thank you for being in the Family Growth Center family. Please remember to put sunscreen on your children when you are outside this month.

News from the Preschool Room

The warm weather is upon us, finally! This month we are going to get our bodies moving. We will be discussing the importance of movement every day and different ways we can use our bodies. We are going to start going to the park (across the street) and going for short walks in the neighborhood. Please send your child with safe, secure to the foot shoes for climbing and running!
