## News from the Infant and Toddler Room

Good December to you all!! SNOW! SNOW! SNOW! Hopefully we will get LOTS and LOTS of snow! In this short month, we will play and dance and sing and look outside the window. We will work on our small motor skills with puzzles and blocks. Thank you so much for this full and fun year. Thank you for sharing your children with me and allowing me to be a part of their lives. From me, Merry Christmas.

- Angela Bunker, Infant/Toddler Teacher

## News from the Preschool Room

December is upon us! Last month, we played many different games and talked about cooperation and taking turns. This month is a fun but short month here, at the Family Growth Center. We are going to be focusing on the changing season and weather. We will be talking about the physical changes, as well as the changes to what we eat, and in the activities we do during the winter months.

I hope everyone has a fun and safe break!

Happy Holidays and Happy New Year! ❄️

- Beth Corcoran, Preschool Teacher
