News from the Infant and Toddler Room

IT FINALLY SNOWED!!! February was wonderful. Such fun, such love, such joy! This month, March, we will enjoy playing with blocks, cars and balls. Numerous large motor activities. We will do art with flowers and stickers and maybe, just maybe paint. As usual, we will have so much fun playing, laughing and dancing and listening to music. Since this month is reading month, please take time to read a story to your child.

News from the Preschool Room

Hello everyone! March is here! I am super pumped because it is one of my favorite months, reading month! We will be focusing on doing more reading in and outside of the classroom. Reading is extremely beneficial for everyone, especially for young children, it expands our minds, connects us and supports our imagination! Reading skills are a cornerstone of learning and are built upon from birth. This month support us as we grow a bookworm 🐛. There will be colorful circles near the sign in book, please take some and bring them back filled out with books you've read together, at home. We look forward to see how long our bookworm grows over the month! Let's get reading!! 📖
